Guidelines and Release Form

Welcome to the office of Disability Support Services (DSS) at Jacksonville University (JU). To be eligible for services at the DSS, a student must satisfy the definition of a disability as established by the Americans with Disabilities Act of 1973. Section 504 defines a disability as a condition which substantially limits one or more major life activities such as learning, walking, seeing, hearing, breathing, caring for oneself, and working. To be eligible for accommodations, a student must provide (a) a written statement from a qualified professional that the student has a physical or mental impairment that substantially limits one or more major life activities.

The following guidelines are provided in the interest of assuring that professionals' statement is appropriate to document eligibility for support services. The student with a disability must provide a written statement from a qualified professional that the student has a physical or mental impairment that substantially limits one or more major life activities. The student must also provide a written statement from a qualified professional that the student's condition is permanent or long-term. The DSS reserves the right to make modifications to this time frame.

I, Print Name , hereby authorize the following information as well as any other pertinent documentation to be forwarded to the office of Disability Support Services at Jacksonville University for the purpose of determining my eligibility for academic accommodations.
